

LEAN & SIX SIGMA BLACK BELT TRAINING

Overview

Learn from a leader in academic excellence and a master in Lean & Six Sigma. Lean & Six Sigma Black Belt Training, in partnership with Lockheed Martin course, a powerful partnership between Rutgers School of Business—Camden and Lockheed Martin Corporation, will give you the skills and training you need to build upon and expand acquired Green Belt skills. The 8 Step Process and OBAB exercises are used as a capstone to demonstrate the elimination of waste and reduction of variation using all statistical methods taught, MSA, DOE, FMEA and setting up of an OBAB production line.

Participants, gain hands-on experience leading, planning and executing Lean projects.

Organizations, build your team's ability to master the integration of Six Sigma methods and lean processes to further increase profitability and better satisfy your customers.
