

PROJECT MANAGEMENT PROFESSIONAL CERTIFICATE (Online)

Overview

Whether you're studying for the Project Management Professional (PMP®) exam, learning the basics of project management, or preparing to transition into a different career, Rutgers Executive Education delivers the training and guidance you need to help you meet and exceed your goals. The Project Management Professional Certificate program serves as a great way to build the skills to keep your projects on task, on time and on budget.

In this highly interactive curriculum, you will learn how to apply project management practices to achieve success. The emphasis of this program is on providing the practical skills and tools necessary so that you can begin managing projects of any scale immediately upon your return to the workplace.

Gain a common vocabulary with current and future colleagues and employers, more confidence and success in your current position, and a competitive edge in the job market.

Return on Investment

- 1. Enjoy One-on-One Support from Experts in Project Management** - This program is developed and facilitated by Project Management Professional (PMP®) subject experts with extensive industry experience. A subject matter expert will serve as your dedicated advisor-instructor, guiding and mentoring you throughout the entire program.
- 2. Study a Robust Curriculum in Alignment with PMBOK® Fifth Edition** - As a registered education provider (REP) with the Project Management Institute, Rutgers Project Management curriculum is directly tied to The Guide to the Project Management Body of Knowledge Fifth Edition (PMBOK® Guide).
- 3. Earn a Rutgers University Professional Certificate** - Upon completion, you will be presented with an official Rutgers University Professional Certificate. Update your LinkedIn profile, hang your certificate on your wall and share your accomplishments with your supervisor and colleagues. Celebrate your accomplishment!
- 4. Get Certified!** - Your professional certificate adequately prepares you to apply for PMI's PMP or CAPM certification. You will satisfy the education requirement* necessary to apply for these highly sought-after certifications and benefit from extended access to the eLearning library so you can continue to refresh your knowledge before you sit for the exam.

Who Should Attend

Our certificate program is intended for both new and experienced project managers who have little formal education in project management. Our program will give you the tools, skills, theories, and techniques necessary to be successful.

Program Faculty

Rutgers University Adjunct Faculty members with extensive real-world experience in managing critical projects for major organizations.

Credits Awarded

Rutgers Executive Education is a Registered Education Provider (R.E.P.) with the Project Management Institute (PMI) and our Project Management Professional Certificate program provides 61 hours of e-learning education aligned with the Project Management Body of Knowledge Fifth Edition (PMBOK® Guide)*. If you are interested in pursuing PMP certification, our program more than satisfies PMI's education requirement. Details about PMI's requirements are available at: www.pmi.org.

*all activities including e-learning estimated at 100 hours

Corporate & Custom Training

We can bring this program to your organization's site if you would like a dedicated program for your team. Please contact a learning consultant at 856.225.6685 or visit execed.rutgers.edu to discuss making this, or any of our courses, into a custom tailored program to fit your organization's specific need.

About Executive Education
